This book introduces the formation of the Armenian nation and its early days, early civilizations and communities. It brings the student up to the first and second kingdoms of Armenia.

As extracurricular teaching, the students will also be introduced (by U tube videos and presentations) to Armenia today, its regions, churches and various attractions.

They will research about a specific topic (chosen by them and approved by the teacher) and present it by power point presentations and on display boards for the Armenian History Day fair. This will be graded as a test.

The students will read articles about current affairs and discuss about The Armenian Cause on monthly basis.

The students will watch the movie “Sons of Sassoun”.

The students will be tested after each lesson. Oral and written tests will be conducted alternatively after the completion of each lesson.

Assessment

This section includes rules set by the school administration

Test/Quiz Policy

Students take **at least** TWO tests and two quizzes per class or course per semi-quarter. Two to four quizzes may be counted as one test. It is up to the individual teacher to adopt a policy to drop the lowest test grade of a student in calculating the quarter grade. No more than two tests are scheduled on the same day. The test scheduled last will be automatically dropped.

Test/Quiz Make-Up

Students with **excused** absences shall have the opportunity to complete missed class work and make up all tests receiving full credit. The student is responsible to arrange for the make-up.

Students who miss a test/quiz because of an **unexcused** absence will receive a failing grade on that test/quiz, except when the teacher decides to offer the chance for make-up.

If a student misses a test/quiz while on suspension, he/she will not have the opportunity to make up the test/quiz and will receive an "F".

Cheating

Acts of cheating or plagiarism will result in suspension and the student will receive an "F" (20/100) on the test or the assigned work.
